Topic: First Flight – Lesson 4: From the diary of Anne Frank

OBJECTIVES	TEACHER'S ACTIVITY (METHODOLOGY)	STUDENTS' ACTIVITY	PRACTICE QUESTIONS/ ASSESSMENT	EVALUATION	LEARNING OUTCOMES
Students will be able to: - Describe the social condition in Germany at that time. - Identify the elements that made Anne's diary different from others. - Support Anne's views on the unpredictability of Mr Keesing.	- The teacher will begin by reading the chapter aloud to the students and will then proceed to explain it one paragraph at a time. - Questions to prompt the students to recall will be asked in class. - The teacher will point out the social conditions in Germany at the time and their impact on a thirteen year old. - Assist students in coming to correct solutions to the questions.	- Read the chapter individually, paying attention to the given explanations. - They might seek further explanation if required to understand the chapter thoroughly. - Participate in class discussions to bring forth their views and opinions on the most appropriate answers to the given questions and also express their opinion on any further content they might think important. - Write a diary entry of their own. - Write the answers in their notebooks.	- Do you think that Anne would have had different relations with the people in her life had she been more vocal rather than penning her thoughts in the diary? - Do you think that if you were to write a diary today, it would be similar to Anne's style of writing? Why or why not?	- Oral assessments of the students' understanding. - Written tasks to ensure the chapter's details have been understood clearly. - Classroom discussions based on Anne's life as a thirteen year old at the time. - Notebook evaluation of practice questions.	The students will have learnt the lesson taught and can: - Describe the social conditions prevalent in Germany at the time. - List the impact of the conditions on the people in the annexe. - Use new words of the chapters in their own sentences to summarize them.
