5	Extra		

Period-1	Duration= 30-35 minutes
Sub Topic- Importance of dates:-A set of dates, Periodised dates, What is colonial	
Learning outcome(s):- Students will be able to explain the importance of Dates in History	
Key Vocabulary - Chronology- The sequential order in which past events occur - Periodise- To divide a portion of time into the periods.	
Skill Developed- Understanding & Analyzing	
Opening set induction	Duration 5-6 minutes
Opening strategy :-Question-Answer (Teacher ask the question) - When do we celebrate Independence Date? - When do we celebrate New Year? - When do we celebrate Christmas? - Why do we have specific date for all?	
Link Statement:-Let us know about the importance of dates and their need in knowing history. There are several incidents here which have some specific dates. These dates have made history curious for the students.	
Instructional methodology:-	Duration-10 to 15 min.
Teaching Strategy(ies):- Explanation and Q/A Discussion-Why do we decide any date for an event? How does it help us? How can we differentiate History on the basis of date? Tr. Explains:- - History is the change of certain events in the past. We just spend our life very normally but there is a very big reason behind each and every change of our life. - Earlier all these data was not arranged properly but it becomes important when it is recorded. Remember events by dates. Through it history can be revived and revised. - James Mill-Scottish writer-published a massive book of three volumes on history of British India. It becomes easy to demaracate various ages of history. Period division becomes easy. - British became the ruler of India as they came here only as traders. As	

they got power they changed all the system of Indian culture and established their colonial rule.	
Closure	Duration -5min.
Closure strategy:-Verification (Think and Answer) • How did James Mill periodise the dates? • On the basis of learning list out some dates that are important in Indian History?
