| Teaching Strategy(ies): Explanation and Discussion<br>Discussion/Explanation:<br>In south of our company we have our beautiful state and a lavish palace of Mysore. This is the state associated with Tipu Sultan, who is known as the pioneer of modern war technique in Ancient India. Like others he was also not in the favor of the British. He protested against them<br>Along with his Father he ruled over Mysore from 1761 to 1782, 1782 to 1799. To stand strongly in front of them he took the help of French army experts because of these effort British were very furious. The British and Tipu has three wars in the last war, he was killed defending his capital very bravely. |                     |

He was not alone of this nature. Marathas was also having the same feeling to the British. British continued to conquer the new area. In the ground of Panipat in its third battle, they were defeated badly and divided in to four clanes. There chief in army was brought under the control under the British before they fought the same three war like the Mysore
