Instructional methodology:-	Duration-15 to 20 min.
Teaching Strategy(ies):- Discuss & Explanation: • Birsa Munda was born in the mid1870s. His father was very poor. His early life spent near jungle, trees & cattles rearing them, playing music & dancing with local song. He was deeply connected with all these. • As he grew up, he heard all the story/ies of their tribal life & its struggle. he found a lot of stories considering themselves as the successor of original real divinity of tribal communities. • When he realized the difference of english school and local education then he indulged himself in the struggle of them. He inspired all his tribals to sustain a pure & sacred life. He inspired them to revenue their culture. He	

inspired them to establish their self dependent state of Mundas. As the British understood his political intention, they became worried. Birsa's movement was against all controlling powers of money lenders, landlords, British officials & so on.
