

SALWAN PUBLIC SCHOOL, RAJENDRA NAGAR

CLASS X

LESSON PLAN

POLITICAL SCIENCE: CHAPTER 2 FEDERALISM

UNIT	POLITICAL SCIENCE: CHAPTER 2 FEDERALISM
CLASS TRANSACTION	<u>TOTAL NO. OF PERIODS: 5</u> PERIOD 1: WHAT IS FEDERALISM? PERIOD 2: FEATURES OF INDIAN FEDERALISM PERIOD 3: FEDERALISM IN PRACTICE PERIOD 4: TYPES OF FEDERATIONS PERIOD 5: DECENTRALISATION
LEARNING OBJECTIVES	The learners will be able to • Understand the concept of 'Federalism' • Study characteristic features of Federalism • Learn about various aspects of Federalism in India
PRE-REQUISITES FOR THE COURSE	The learners would have the previous knowledge of - • Power shared among the governments at different levels in India. • The need for having various levels of government. • How are coalition governments formed?
LEARNING OUTCOMES	The learners would- • Understand federal structure • Classify subjects into Union List, State List, Concurrent List & Residuary Subjects • Study the working of the organs of government
TEACHER'S ACTIVITY (The teacher can use the mentioned techniques, wherever applicable and can use any other too).	• Taking que from the previous chapter on "Power sharing", the teacher would revisit the theme – Vertical distribution of powers in India. • The need for having a federal system in our country and the three fold distribution of power amongst the various levels shall be explained. • With the help of relevant examples of different countries of the world the theme "types of Federations", would be discussed in the class. • The political map of India shall be used to explain the concept of linguistic states. • The learners' previous knowledge about the coalition government shall be used to build upon the theme of "Changing Centre- State relations in India". • The role and functioning of the third tier of the government shall be explained by drawing a connection/comparison with the local government functioning in their constituencies.

	Recall Activity: • The teacher shall make the use of mind maps to recapitulate the chapter.
SELF STUDY & HOME WORK ASSIGNMENT	Self-Study (Independent Practice)- • The teacher would ensure that each student should bring NCERT Book and tries to be independent at the work as well as be under the teacher's guidance. • Learners would be asked to make a PPT on the federal work practices in school. Guided practice followed by Independent Practice (Question Bank): After the completion of the chapter students shall do the following practice questions: 1. What is federalism? 2. What makes India a federal country? 3. Analyse the various features of Federalism. 4. Compare and contrast the features of Coming together and holding together federations with the help of relevant examples. 5. Write a note on the changing centre-state relations in India.
