KEY POINTS

Sir John Macpherson proposed to call a meeting of experts from all countries in a week's time.

James agreed with him though he thought it almost impossible to call the meeting at such a short notice.

Sir John dropped James at his hotel.

The Conference of experts: All the Experts who were invited were present.

James was surprised when he went to attend the conference.

Sir John had also invited Duttada.

Comet Duttada was sure to collide with the earth

Scientist's plan to save the earth.

Scientist's suggested an offensive action to change its course by sending a spaceship with nuclear power.

This project was named –Project Light Brigade.

Will the action succeed?

Duttada & Sir John had become good friends.

Sir John said he could not say anything about the success of the project with certainty.

But he would not buy his Christmas presents before December 15th.

Duttada returns home.

Preparations for a yajna to bless Duttada & to pacify the evil spirits behind the comet.

The charge of Project Light Brigade is successful.

The earth had been saved from complete destruction.

Who saved the earth?

Duttada wondered that even in this age the rational & superstitions exist together.
