

D.A.V. PUBLIC SCHOOL, VELACHERY, CHENNAI- 42

CLASS: VII

SUBJECT: SOCIAL SCIENCES - GEOGRAPHY

CHAPTER - 1: ENVIRONMENT

EXPERIENTIAL LEARNING ACTIVITY:

- Divide the class into four groups. Each group represents one department of the local municipality. Make a list of all environmental problems faced by the people of your own city/town.

CURIOSITY QUESTION:

What brings a sudden change in the environment?

ANSWER GUIDE:

1. Does environment contain Man -Made elements?
2. Do you think all the things that surround us are interdependent to each other?
