

**EXPERIENTIAL LEARNING**

**SUBJECT: SOCIAL SCIENCE (GEOGRAPHY)**

**CLASS: VIII**

**CHAPTER 5: INDUSTRIES**

**Curiosity Questions**

1. Why has there been a huge increase of health issues in the recent years, especially in urban areas?

Answer Guide:

- Where are industries located?
- Do people enjoy living in factories?
- How does it affect their health?

2. Bengaluru is called the “Silicon Valley of India”. Why?

Answer Guide:

- Which industry is popular in Bengaluru?
- Why is it highly developed there?
- Which industry is popular in Tamilnadu?

**Experiential Learning Activity:**

Students will be shown videos of different industries. They will observe the size of the industry, technology used, processes involved, safety measures deployed and classify them.
