

EXPERIENTIAL LEARNING

SUBJECT: SOCIAL SCIENCE (GEOGRAPHY)

CLASS: VIII

CHAPTER 6: HUMAN RESOURCES

Curiosity Question1: Why do we see multicultural population in cities?

Answer Guide:

- Where do we find more jobs?
- Why is infrastructure better in cities?
- How can we ensure equitable distribution of population?

Curiosity Question 2: Why are some countries still underdeveloped in spite of abundant population?

Answer Guide:

- What is the literacy rate of India?
- What is the life expectancy in India?
- Do these factors affect productivity?

Experiential Learning Activity:

Students will take a tour of all the departments in school such as Accounts, Housekeeping, Transport, Front Office etc. and write a report on how these departments help in the smooth functioning of a school.
