WORKSHEET

Q1) Explicate any three effects of industrialization on agriculture in the 18th century.

Q2) What is proto- industrialization? Write the most dynamic industries in Britain in the first phase of Industrialisation.

Q3) Highlight any five benefits of industrialization on the society.

This image shows a blank sheet of white paper with ten sets of horizontal dashed lines. Each set consists of three parallel lines, with the middle line being slightly longer than the two outer lines, creating a guide for letter height and placement. The lines are evenly spaced vertically across the page.
