

Subject –POLITICAL SCIENCE

Month – NOVEMBER

Duration – 1 WEEK

Activity –FIELD VISIT

Lesson – MARKETS AROUND US

Learning outcome-

1. To observe various sites of market.
2. To differentiate between shopping complex, malls and weekly markets.

What I have to do? - Field visit and scrap book making

What I require? - scrap book, colours, pictures etc.

Nature of Activity – GROUP ACTIVITY

How do I Proceed?-

Teacher's Activity -

1. A class of 40 students will be divided into 5 groups, 8 students in each group.
2. Students will be given a particular market to be surveyed for example neighborhood market/departmental store/ mall/ weekly market/ wholesale markets
3. Students will be asked to visit their allotted market
4. After the field visit, each group will prepare their scrap book which will reflect the type of market they had visited.
5. They will paste the pictures and write the information regarding the market.
6. After this, each group will present their findings in front of the class.

What have I observed?

Name of the market	Specialty of the market	Main consumers

What have I learnt?

Complete the worksheet of the lesson from the assignment booklet

Extended Learning - 2
