

EXPERIENTIAL LEARNING

SUBJECT: SOCIAL SCIENCE (POLITICAL SCIENCE)

CLASS: VIII

CHAPTER 1: THE INDIAN CONSTITUTION

Curiosity Questions

1. Do you think we will have a better life if there were no rules and regulations?

Answer Guide:

- Why do we need rules?
- Can't we have more freedom?
- Do laws restrict us?

2. What do you think we should do, to be responsible citizens?

Answer Guide:

- Can everyone have freedom without restrictions?
- What would happen if we are not given rights?
- Can we achieve equality without rights?

Experiential Learning Activity:

Students will enact a sitting of the Constituent Assembly of India and have a discussion on some fundamental principles of the Constitution.

Think about:

1. Why do citizens need rights?
2. How will rights empower citizens?
