

CLASS VIII

CIVICS

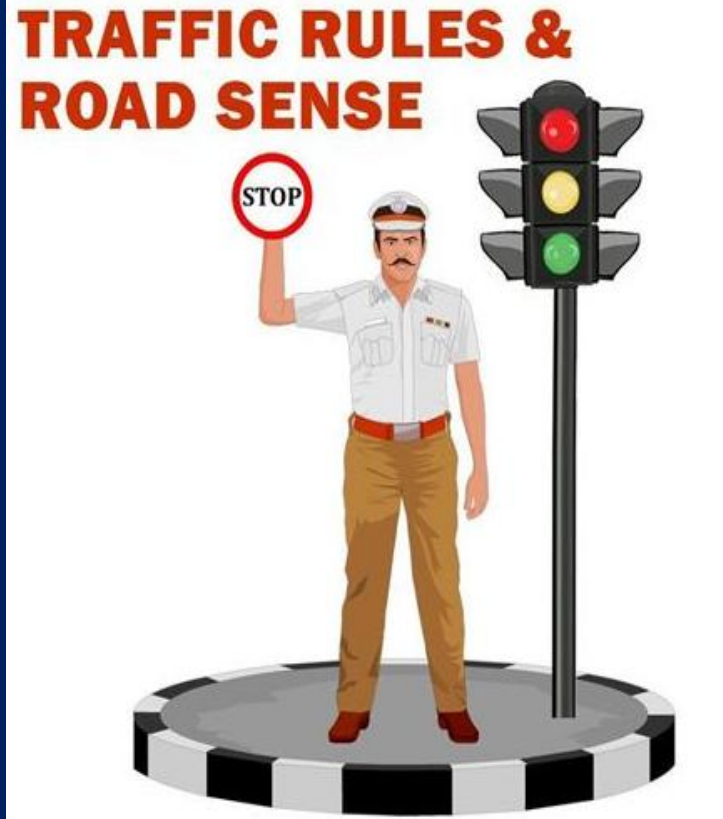

CHAPTER-4

UNDERSTANDING LAWS

Do Laws Apply To All?

Why do people stop when the traffic light turns red?

Why are zebra crossings painted white or yellow?

Why do traffic policemen wear fluorescent chest jackets?

Ask the older generation of your family about the traffic conditions on the Indian roads when they were growing up. Were the rules followed by all?

*Are the traffic rules
same for everyone?
What about the other
rules or laws? Are they
equally applicable to
one and all?*

PURPOSE

To make children understand

- *What are laws?*
- *Laws are applicable to all.*
- *To enhance the logical thinking.*
