CHAPTER 5: JUDICIARY

Curiosity Questions

1. Why do we need courts when we have well defined laws?

Answer Guide:

- Does everyone follow rules?
- What can be done when someone breaks the rules?
- How can we ensure that laws are upheld?

2. If you have a dispute with your neighbour, how will you settle it?

Answer Guide:

- Can we settle our problems through any organization?
- Will such settlement be acceptable to both parties?
- What can be done if one party is not happy with the judgement?

Experiential Learning Activity:

Students will be shown video clippings of court proceedings from movies to make them experience how a court functions.
