Curiosity Questions

1. Have you ever wondered what kind of life the tribals or Adivasis lead?

Answer Guide:

- Can you imagine a life without running water or electricity?
- Will you be able to survive without your phone or television?
- Do you think they are happy with their lives?

2. Do you think it is correct to ensure uniform religion throughout the country?

Answer Guide:

- Is it possible for all of us to follow a single religion?
- How will it be if we celebrate only festivals of one religion and not celebrate the others?

Experiential Learning Activity:

Students will collect information about the various tribal communities living in India based on the areas they are found, population, livelihood, food habits, customs, clothing and beliefs and prepare an Information Journal about them.
