

SUBJECT - SOCIAL SCIENCE

CHAPTER –1 Power Sharing

CLASS –X

DURATION: 1 day

Nature of activity: Group

Learning outcome : Students will be able to appreciate the importance of power sharing in democracy

1.What we have to do? To prepare a chart or power point presentation on power sharing arrangement in Belgium and Sri Lanka

2.What do we require?

Newspaper, chart paper, sketch pen, computer and observation table

3.Teacher's activity

The teacher will divide the class into groups. Those who can make a power point presentation will make a presentation while others will make charts.

4. How will I proceed?

Student's activity

- The students will work on following sub-topics:
- Ethnic composition
- Past political set up
- Rights of the people
- Role of govt.
- Solution for the existing problems
- Struggle for power (if any)
- Comparing power sharing arrangement between Belgium and Sri Lanka

5.What have you observed ?

OBSERVATION TABLE

<u>Ethnic composition of Belgium</u>	<u>Ethnic composition of Sri Lanka</u>

Worksheet

Q1) What is power sharing?.

Q2) Why ethnic composition of Belgium is very complex?

Q3) How far do you agree that power sharing is the very spirit of democracy?
