

SUBJECT - POLITICAL SCIENCE

CHAPTER – 8 CHALLENGES TO DEMOCRACY

CLASS –X

DURATION:1 Day

Nature of activity: Individual

Learning outcome :The students will be able to

- appreciate the complexities or difficulties faced by democratic governments.
- conceptualize the lesson in a much more effective way.

1.What I have to do? Observe the video sent by teacher and complete the observation table

2.What do I require?

Wifi connection, video and pen

3.Teacher's activity

The teacher will –

- adopt a new type of teaching learning technique that is flipped classroom
- send a video to students based on the topic to be taught
- ask the students to watch the video at home to save the time of the class
- discuss the doubts related to the chapter and take their feedback
- give recapitulatory worksheet based on the chapter to check their knowledge

4. How will I proceed?

Student's activity

- Students will watch the video sent by teacher
- Clear their doubts if any
- Fill the observation table
- And in the end complete the recapitulatory worksheet.

5.What have you observed ?
