The Baby Bulbuls

Mama and Papa Bulbul were making
a nest.

They found a safe place.

Mama Bulbul brought a twig.

Papa Bulbul carried some straws.

Mama Bulbul brought blades
of grass.
Papa Bulbul carried soft moss.
The little nest was soon ready.
It was soft and warm.

Mama Bulbul laid three
small eggs.

She sat on them all day.
Sometimes she went out.

Then Papa Bulbul kept the
eggs warm.

"Tee hu... Tee hu!" he often
sang sweetly.
