

***HOW DOES EXPERIENTIAL
LEARNING LOOK LIKE IN
A CLASSROOM?***

UNIT 02

ABOUT THIS UNIT

1. Explore the Experiential Learning model.

2. Watch classroom videos of implementation of the experiential learning Model step by step.

3. Develop skills to implement the experiential learning model in your own class.

BEFORE YOU WATCH A VIDEO

In the upcoming video on energiser, notice the following:

How is the learner engaged?

How does the activity make use of different senses?

How is the space being used?

What is the role of the teacher?
