

HOW CAN REFLECTION HELP IN LEARNING?

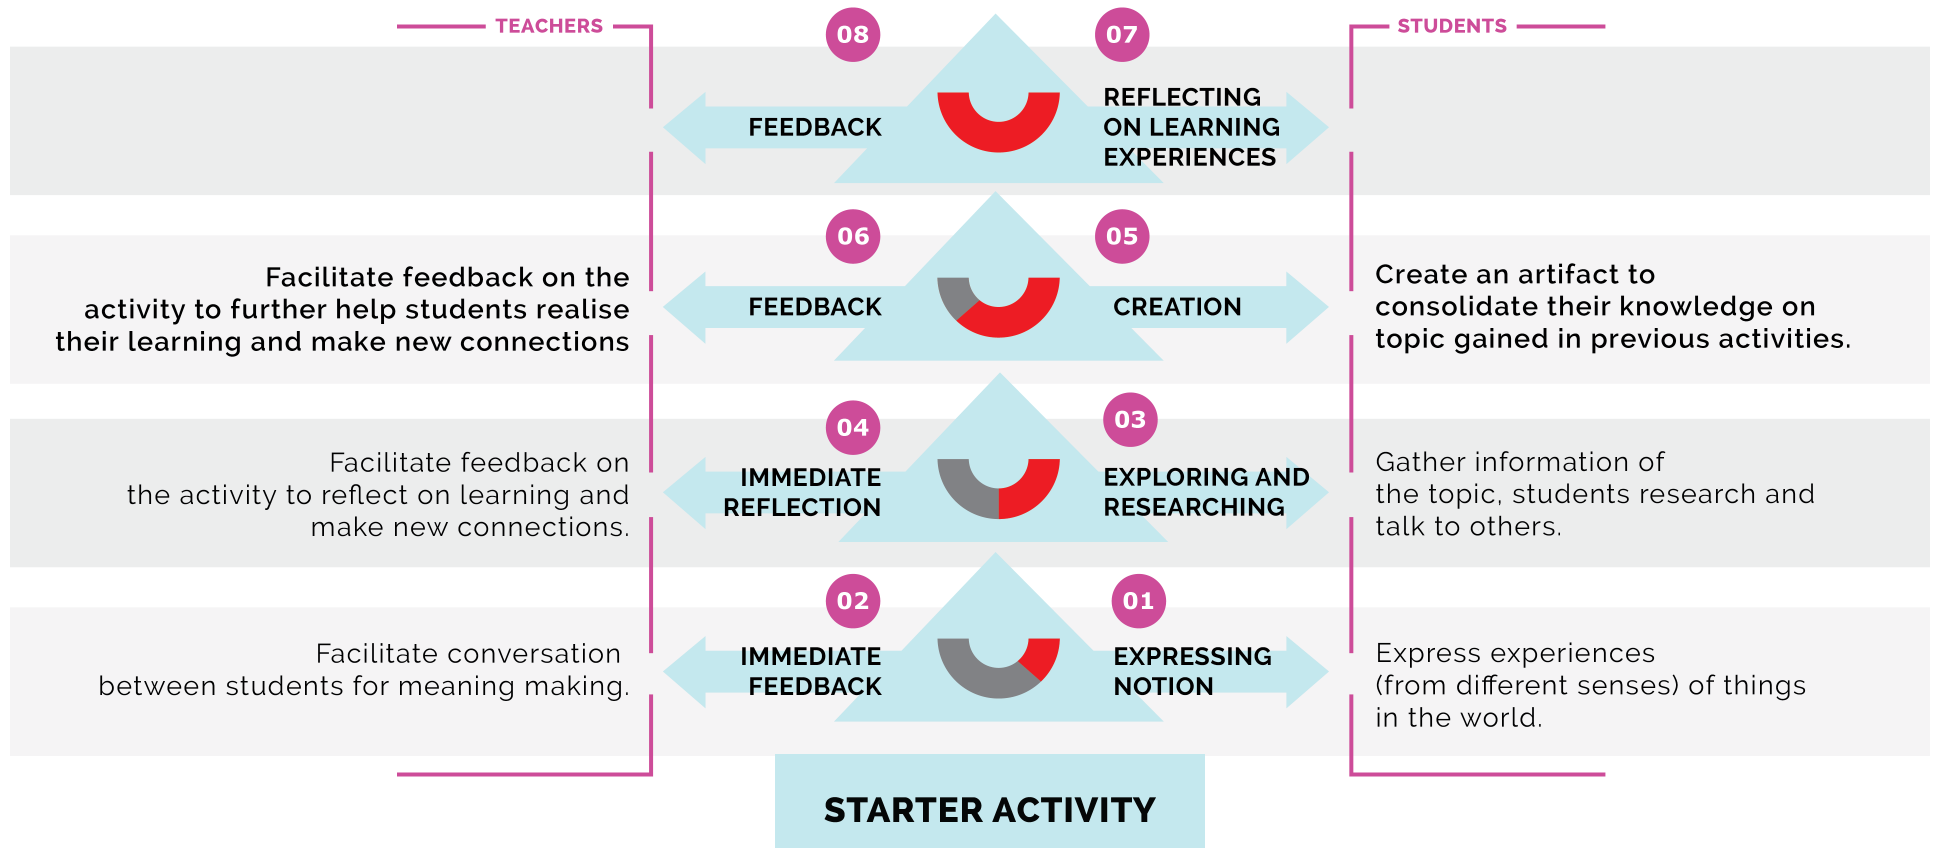

- What possible questions can teacher ask to reflect on thinking?
- Reflection is a skill and not easy for all students.
- How can you build this in your class?

Suggestion

- Discuss among friends & colleagues
- Write your response in your notebook or a paper.
- For one kind of response see appendix in unit 4

THE EXPERIENTIAL LEARNING MODEL

The earlier video is developed on the following model. Let's understand each aspect on it in more detail.

BEFORE YOU WATCH A VIDEO

In the upcoming video on Creation **05**, notice the following,

How are students working individually?

How are students working in a group?

What is the role of the teacher in this?
