

Class II Infographic

Learning Outcome Addressed: (LO 9): Listens to instructions and draws a picture.

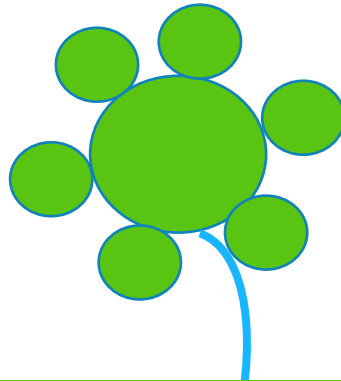

1. Draw a small circle.

2. Around the circle, join 5 – 6 smaller circles.

3. Draw a line downwards from the main circle.

Pedagogy Employed:

1. Repeat the words for understanding
2. Provide examples.
3. Use simple language.

Outcomes Achievable:

1. Develops imagination.
2. Peer learning.
3. Enhances creativity.

At this stage, drawing is not important, but, understanding that child is able to perform as expected is important.
