

Learning Outcome Addressed (09): Distinguishes between simple past and simple present tenses.

Activity: Read the following sentence

There is a group of monkeys on the tree.

They jump from branch to branch. They eat fruit and nuts.

An elephant comes by. The monkeys see the elephant. The elephant walks under the tree. A little monkey falls on the elephants back. The elephant lifts his trunk, holds the monkey gently and puts him back on the tree.

Re-tell the story, using the past tense.

Guidance for evaluation: the teacher ascertains that the learner is able to narrate the story using simple past tense.
