

Class III

Worksheet

Learning Outcome Addressed (14): Uses vocabulary related to subjects like Maths, EVS, relevant to class III.

Activity: Say the poem aloud

Five plus five is ten.
Five fingers on my right
Five fingers on my left
Two hands and ten fingers
I do have.

Five toes on my right
Five toes on my left
Two feet and ten toes
I do have.

Guidance for evaluation: The teacher ascertains that the child knows counting and can differentiate between right/left; fingers/toes.
