

Learning Outcomes 3

Learning Outcomes Addressed: Identify characters and sequence of events in stories.

Activity: Arrange in a sequence of events.

(A)

(B)

(C)

(D)

Guidance for evaluation: The teacher asks the following questions to ascertain learners' understanding of the sequence of events.

1. Who was holding the mouse in his claws?
2. Did the parrot help the mouse?
3. Why did the mouse fall to ground?
4. What happened to the mouse in the end?
