

Class 3

LO 4: Reads small texts in English with comprehension i.e. identifies main idea, details and sequence and draws conclusions in English.

Read the following passage and answer the questions by choosing the correct option.

Horses are farm animals. They are usually black, grey, white and brown in colour. They have long legs, which are very strong. They can easily run long distances. Horses have hard hoofs which protect their feet. They eat grass and grams.

Since they can run fast, they are used in sports like polo and horse riding. During old times, horses were used in the battlefield. Horses pull carriages with people and goods from one place to another.

A female baby horse is called a foal and a male baby horse is called a colt. They live in a stable.
