

Class I

LO 8: Identifies characters and sequence of a story and asks questions about the story

Assessment item 1 to 5:

The Story

It was a beautiful spring morning on a small farm near the woods. In a cool, shaded corner, a duck built a warm nest to sit on her four precious eggs. Strangely, one of the eggs was much larger than the rest. To her excitement, the eggs started to rumble and crack. One, two, three eggs popped open, and three little ducklings of white colour poked their heads into the world. After some time, the biggest egg began to crack as well. To the mother's surprise, a big, gray duckling stumbled out of the egg! Although he was different, and not as cute as the other ducklings, she loved him nonetheless.

Item 1. On how many eggs duck sit on?

1. Two
2. Three
3. Four

Item 2. Whether the biggest egg began to crack first?
