

11-LET'S HELP EACH OTHER

We can help each other at work and at play
 And we can grow together day by day.
 Some of us can dance, some others can sing
 And some find doing sums the easiest thing!
 So, if you know how to dance teach me.
 I can sing and teach you how to sing!
 You can teach me sums and I'll teach you to play
 Together we could grow, and go a long way!

- * The teacher should recite the poem with appropriate gestures and sounds & the children should follow it.
- * Later on, the children should write the poem on his own.
