

- Discuss with the children on the basis of their experiences about the usefulness and maintenance of ponds and other sources of water. Develop the understanding of numbers from one to five in the children, as-How many ducks are there in the pond?.....

1- Look and count-

1
One

2
Two

3
Three

4
Four

5
Five

● Make the children practise counting with the help of solid objects and pictures found in the surroundings. Give them opportunity to practise in the workbook.
