NIPUN Lakshyas

Grade	Skills	Subject: English
CLASS 1	Oral Language	Talks to friends and teachers. Recites rhymes/poems, songs with understanding and action. Converses and asks questions with friends and class teacher about her needs, familiar persons and surroundings. Talks about the print available in the classroom, school premises and surroundings.
	Reading	Looks at books and attempts reading the story with the help of pictures. Begins to point out and recognize some familiar repeated/rhyming words. Recognises and corresponding sounds. Reads simple words comprising of at least 2 to 3 alphabets. Participates during read aloud/story telling session in an active way and answers questions during and after story session; acts out familiar story with props and puppets.
	Writing	Uses sound symbol correspondence to read textbook words. Begins to form words with recognizable letters. Scribbles/draws and paints for self-expression. Uses a pencil and holds it properly to form recognizable letters. Recognizes and writes his/her own name.

NOTE: NIPUN is a mission focused on achieving foundational literacy and numeracy. It has set specific targets for students in primary classes to achieve by the end of the academic year. Every student must reach these targets by the year's end.

National Education Policy 2020

This Grade 1 Language textbook has been developed in alignment with the vision of the National Education Policy (NEP) 2020, the National Curriculum Framework for the Foundational Stage (NCF-FS) 2022 and the NIPUN Bharat Mission. In accordance with NEP 2020, the textbook adopts a child-centred, joyful and activity-based approach, recognising that the early years are crucial for the development of language and thinking. The NCF-FS emphasises learning through play, stories, conversations, songs, pictures and real-life experiences; therefore, the lessons in this textbook provide rich opportunities for children to listen, speak, observe, read and express their ideas meaningfully. The content and classroom processes are carefully designed to support the NIPUN Lakshyas for Grade 1, which include developing oral language, vocabulary, phonemic awareness, letter-sound relationships, reading of simple words and sentences, and basic comprehension. Through a gradual and integrated progression from listening and speaking to reading and writing, this textbook aims to ensure that every child achieves the foundational literacy skills expected by the end of Grade 1.

Domain: Language and Literacy Development

CG-9
Children
develop
effective
communication
skills for
day-to-day
interactions in
two languages

- C-9.1 Listens to and appreciates simple songs, rhymes, and poems.
- C-9.2 Creates simple songs and poems on their own.
- C-9.3 Converses fluently and can hold a meaningful conversation.
- C-9.4 Understands oral instructions for a complex task and gives clear oral instructions for the same to others.
- C-9.5 Comprehends narrated/read-out stories and identifies characters, storyline and what the author wants to say.
- C-9.6 Narrates short stories with clear plot and characters.
- C-9.7 Knows and uses enough words to carry out day-to-day interactions effectively and can guess meaning of new words by using existing vocabulary.

CG-11
Children
begin to read

Language 2 (L2)

- C-11.1 Develops phonological awareness and are able to blend phonemes/syllables into words and segment words into phonemes/syllables.
- C-11.2 Recognises most frequently occurring letters of the alphabet (forms of akshara) of the script and uses this knowledge to read and write simple words and sentences.

Holistic Development of Children – Five Domains

1. Physical Development

Activities that involve cutting, pasting, colouring and drawing help children develop fine and gross motor skills.

Examples:

- Making a collage using pictures from magazines
- Tracing letters and words
- Colouring pictures
- Jumping, running, and walking with balance

* These activities help in the development of children's fine motor skills and gross motor skills.

2. Socio-Emotional and Ethical Development

Children learn sharing, co-operation and expressing emotions through interactive activities.

Examples:

- Group collage activities
- Role play based on stories
- Talking about family, friends and feelings

* These activities promote co-operation, empathy, and self-confidence among children.

3. Cognitive Development

Children develop thinking and reasoning skills through observation and identification activities.

Examples:

- Observing pictures and answering questions
- Matching words with pictures
- Identifying objects during a nature walk

* These activities enhance children's thinking ability, reasoning skills, and understanding.

4. Language and Literacy Development

Listening, speaking, reading and writing activities strengthen language skills.

Examples:

- Story listening and retelling
- Reading simple words and sentences
- Singing rhymes and songs

* These activities enhance children's vocabulary and expressive abilities.

5. Aesthetic and Cultural Development

Creative activities help children appreciate beauty and express creativity.

Examples:

- Drawing and colouring
- Nature walk - identifying colours of leaves, flowers and objects
- Creative collage using natural materials

* These activities foster children's creativity and love for art.

UNIT

Myself and
My Family

1.1 My Body Parts

Learning Outcomes:

Learners will be able to :
