Competency: Reading

I. Read the following conversation and answer the questions :

Dev : These will become big one day and I'll climb on them and sit on their branches.

Veena : And I'll sit in their shade and read a book.

Dev : And then they will give us fruits.

Father : Also, they will make the place green and beautiful. You know, we get wood from them.

Veena : And we make bats, pencils, tables, chairs etc., out of wood.

Dev : Our teacher told that the paper of a book was once a tree. They also cause rainfall and make the place cool.

Father : They take in carbon-di-oxide and give out oxygen which is important for us.

Dev : We get rubber too from them.

Father : So, you understand that they are very useful to us.
