

Activity 4: Chapter- The Treasure Within

Activity Name	Unveil
Grade	8
Skill	Presenting, Expressing
Time	100 minutes
Grouping of students	Individual/Entire Class
Materials	Props for Talent Show

Learning Outcome: Students will

- learn to overcome stage fright
- utilize creative skills to attract attention of the audience

Teacher's Activity- The teacher will:

- help the students to organize a talent show in the class
- compere the talent hunt show
- discuss the importance of identifying one's strengths and weaknesses
- share feedback at the end of the session

Students' Activity- The student will:

- perform for one minute in a mock talent show to be held in the class, using their own props and speak for a minute on the topic, 'My Strengths and Weaknesses', after the performance
- fill out the evaluation sheet for each performance, in the given format
- complete the worksheet on self-awareness

Stages:

- Setting up (giving instructions- guidelines, objectives, rules, time limit): 10 minutes
- Activity: 80-90 minutes (performance, speaking about strengths and weaknesses, reviewing the performances, completing the worksheet)
- Evaluation and feedback by teacher: 5 minutes

Performance Review Sheet
