

Experiential Learning Activity-1

Subject	PSYCHOLOGY
Class	XII
Topic	Intelligence
Sub topic	Multiple Intelligences
Time	40 minutes
Nature of Activity	Individual activity
Skills	Analysis, Critical thinking, Synthesis

What will I learn? (L.O) – Students will be able to

- Appreciate various types of intelligence present in humans

What I have to do?

- Identify the given profession with the type of intelligence required to a great extent to be successful in that profession.

What do I require?

- Text book, Chits (one for each student), Chart Paper, Pens, Glue stick and Scale.

What do I already know?

- Various jobs require different qualifications and abilities.

Teacher's Activity: Teacher will

- Explain Howard Gardner's Multiple Intelligences theory with examples.
- prepare 40 chits having name of one profession on each chit .Total 5 examples of each 8 categories.(Linguistic,Interpersonal,Intrapersonal,Kinaesthetic,Naturalistic, Musical, Mathematical-logical and spatial)
- Prepare chart paper with 8 columns for the students to place chit under correct heading.
- provide feedback for students' responses and facilitate students in participating during recapitulation

MULTIPLE INTELLIGENCES

1. BODILY-KINAESTHETIC
2. LINGUISTIC
3. MUSICAL
4. SPATIAL
5. NATURALISTIC
6. MATHEMATICAL-LOGICAL
7. INTERPERSONAL
8. INTRAPERSONAL

How will I Proceed

Students' Activity: Students will

- listen actively and share their inputs during discussion on various types of Intelligences
- Receive one chit from teacher and share their response one by one and get feedback from other students and finally gets verified from the teacher.
- Paste the chit under the appropriate heading

What have I observed?**Various professions under appropriate heading**

R.No.	Linguistic	Musical	Spatial	Interpersonal	Intrapersonal	Naturalistic	Bodily - Kinaesthetic	Mathematical-Logical

What have I learnt?

- There are a variety of intelligence associated with different types of work people do.

What am I curious to learn?

- To know that a person can be high on two or more types of intelligences?

Let me evaluate myself.

Q1. Are the multiple intelligences interdependent? Justify your answer.

Q2. How can the information regarding multiple intelligence be used for class 12 students?

Q3. If an individual can manage his feelings, handle his emotions well, analyse his views critically and rationally, he/she shows which type of intelligence as per Gardner's theory?

Q4. Identify the intelligence/s dominant in following personalities:

1. APJ Abdul Kalam:
2. Hafeez Sorab Contractor:
3. Sachin Tendulkar:
4. Lata Mangeshkar:
5. Kapil Sharma:

Q5. Can we have more than one intelligence of the eight mentioned in Gardner's theory? Identify intelligence/s present in you.
