

EXPERIENTIAL LEARNING ACTIVITY NO.- G VII

Subject	Geography
Class	VI
Chapter/Unit	L- 7, Our country: India
Topic	Neighbouring countries of India
Time	30 minutes
Nature of Activity	Individual

Activity Name: Map pointing.

What will I learn (Learning outcome)? - The students will be able to:-

- identify the countries sharing land boundaries with India.
- locate and mark the neighbouring countries which share the land boundaries with India.

Skills:- Applying and Remembering.

What I have to do? – To know and study about the neighbouring countries of India.

What do I require? - A political map of India, pencil color, glue, A-4 size colored sheet.

What I need to know? – States and Union Territories of India with their capitals.

Teacher's Activity- Teacher will:

- ask the students to bring a political map of India, A-4 size sheet, color pencil and glue, a day before the activity.
- show the map of neighbouring countries of India, sharing the land boundaries.
- instruct the students to follow the color code of each country with the help of a table 7.1 given below.

Country	Color of pencil to highlight the country
Pakistan	Red
Nepal	Blue
China	Green
Bhutan	Yellow
Bangladesh	Orange
Myanmar	Pink

Afghanistan	Black
-------------	-------

Table 7.1

- ask the students to highlight the country with correct color code and complete the map work.
- instruct students to paste the map on A-4 size sheet and record the Map activity in their notebooks.

How will I proceed? –

Student's Activity- Students will:

- bring all the material asked by the teacher such as A-4 size sheet, political map of India, glue, color pencil.
- look at the map shown by the teacher and complete it by highlighting the countries with correct color code with the help of table 7.1
- mark the countries, write their names, paste the map on an A-4 size sheet and record the map in their notebooks
