

A HAPPY CHILD (POEM)

MY house in red-
a little house

A happy child am I.

I laugh and play the whole day long.

I hardly ever cry.

I have a tree, a green, green tree,

To shade me from the sun;

And under it I often sit ,

When all my play is done.

Bye - Bye

Have a good
day !

Summary of the Poem

- In this poem ,a happy child is talking about how laughing and playing makes her happy. She talks about her red house and the green tree under which she sits after her playtime. All this makes her a happy child.
- In this poem the child says that she has a little house which is red in colour and that she is a happy child . She plays and laugh the whole day and never cries.
- The child talks about a tree that she has in her garden which is very green and gives her shade from the sun. the child then says that she often sits under the shade of the tree once she is done playing.
