

TOPIC: THE FUN THEY HAD (PROSE)
-ISAAC ASIMOV
NCERT: BEEHIVE

The story 'The Fun They Had' talks about education of the future generation.

The table below shows the contrast in the education of the future generation and education of the present times.

Future Education	Present Education
1. Place: Home	School
2. Teacher: Mechanical	Human Being
3. Learning Activities: Online	Blended Learning- classroom as well as online
4. Books: tele books	'real book' – (paper books with words printed and fixed in them)
5. Words: moving e- text	Fixed on each page of a paper book
6. Homework: punch codes	Given by human teacher to the students in the school to be done at home.
7. Classmates: NIL	Hundreds of students in the school
8. Time: Future	Present
