

The Bubble, the Straw and the Shoe

The Bubble, the Straw and the Shoe

Listen and enjoy this story

Once upon a time there lived a Bubble, a Straw and a Shoe.

One day they went into the forest.

They came to a river. They did not know how to cross it.

The Shoe said, "Bubble, let us float on you."

“No, Shoe! Let Straw stretch himself from one bank to the other. Then we can cross the river.”

So, the Straw stretched himself from one bank to the other.

When the Shoe jumped on the Straw, it broke. The Shoe fell into the water with a loud splash.

The Bubble shook and shook with laughter and burst with a big bang.

Summary of the story

"The Bubble, the Straw and the Shoe" is the story of three friends . One day they decided to visit a forest. While walking in the forest they came near a river.... But they were wondering how to cross a river. The shoe was acting smart and he told the bubble to let him float on himself, to which bubble cleverly replied the shoe that let Straw stretch himself from one bank to the other bank of the river and then we can cross the river.

Then Straw got agree with what Bubble said and he stretched himself from one end of bank to the other bank. And guess what happened ! The Shoe was in hurry and he jumped on the Straw and it broke from the centre and Shoe fell into the water with a loud splash in the river.

Then Bubble could not control his laughter and suddenly it burst with a big bang.
