

## **FOCUS SPOTS /HARD SPOTS**

**SUBJECT:English**

**GRADE:1**

|                      |                                                                                                        |
|----------------------|--------------------------------------------------------------------------------------------------------|
| <b>CHAPTER</b>       | <b>3</b>                                                                                               |
| <b>TOPIC/CONCEPT</b> | <b>Lalu and Peelu</b>                                                                                  |
| <b>FOCUS SPOT</b>    | <b>Framing sentences from the new words from the lesson .eg:-Words –gobbled, screamed</b>              |
| <b>WHY</b>           | <b>Students are unable to frame sentences and use them in their conversation .</b>                     |
| <b>IMPACT</b>        | <b>Vocabulary of the students remains passive as they are not able to use them in day to day life.</b> |
