Circle

Listen, read and draw

One day Mohini was sitting with her grandmother.

Grandmother drew a circle.

"Can you draw a circle, Mohini?"

"Yes I can."

Soon Mohini drew a circle.

"Now, I'll draw a ball."

Grandmother drew three lines on the circle.

Mohini drew three lines on her circle.

It really looked like a ball.

"Now let's draw a balloon."

Grandmother added a zig-zag line to the circle.

"Oh! It really looks like a balloon." Mohini clapped with joy.

Mohini drew many circles— big and small circles, red, blue, green and yellow circles. She also added zig-zag lines to these.

And now there were many balloons.

"Can you draw something else with a circle?" asked Grandmother.

"Yes," said Mohini.

She drew a wheel, a moon, a sun, a rabbit and her own face.
