

CLASS III SUBJECT MATHEMATICS

CHAPTER 2 FUN WITH NUMBERS

ACTIVITY FOR LEARNING

TOPIC - COMPLETE THE SERIES

Individual Activity

Take a white sheet and write down the counting of numbers in boxes as given below :-

(start from any 3 digit number)

250	249	248	247	246	245	244	243	242	241
231	232	233	234	235	236	237	238	239	240
230	229	228	227	226	225	224	223	222	221
211	212	213	214	215	216	217	218	219	220
210	209	208	207	206	205	204	203	202	201
191	192	193	194	195	196	197	198	199	200
190	189	188	187	186	185	184	183	182	181
171	172	173	174	175	176	177	178	179	180
170	169	168	167	166	165	164	163	162	161
151	152	153	154	155	156	157	158	159	160

ACTIVITY :-

1. Call any one student.
2. Give one ludo piece to that student.
3. Ask the student to complete the series by moving the ludo piece according to the count given. (count by 2, 3, 4,.....)
4. This way, student will get to know the next numbers in that series.

For example :-

Incomplete series :-

173, 176, 179, ____, ____

Activity – Student will put the piece on number 173.

Then he will move the piece to 176 by counting three.

Again he will move the piece to 179 by counting three.

The same way, he will continue the counting of three to get the next two numbers in the given series.
