

FOCUS SPOTS /HARD SPOTS

SUBJECT: GEOGRAPHY

GRADE: VIII

CHAPTER	RESOURCES
TOPIC/CONCEPT	CLASSIFICATION OF RESOURCES ON THE BASIS OF EXHAUSTIBILITY
FOCUS SPOT	Difference between Renewable and Non renewable resources
WHY	Students get confused between both the resources as to which resources get exhausted earlier and which after a few span of time.
IMPACT	Students will not understand the concept very clearly,with the result they will not be able to attempt this question confidently.
