

EXPERIENTIAL LEARNING- ACTIVITY NO – G-III

Subject	Geography
Class	VI
Chapter /Unit	L-3 , Motions of the earth
Topic	Classification of seasons
Time	30 minutes
Nature of Activity	Individual

Activity Title – Concept Map

What will I learn (Learning outcome)? The students will be able to: –

comprehend the four main seasons of India and elaborate the weather conditions of each season in the form of concept map.

Skills -Understanding and Applying

What I have to do? – To develop concept map on the four main seasons.

What do I require ? – Pen/pencils and eraser .

What do I need to know?-

- Revolution of the earth and occurrence of seasons.
- Important parallels of Latitudes.

Teacher's Activity- Teacher will:

- explain the four main seasons of India, a day before the commencement of the activity,
- prepare the concept map figure 3.1 which will be used in the class, on the next day, for the activity.

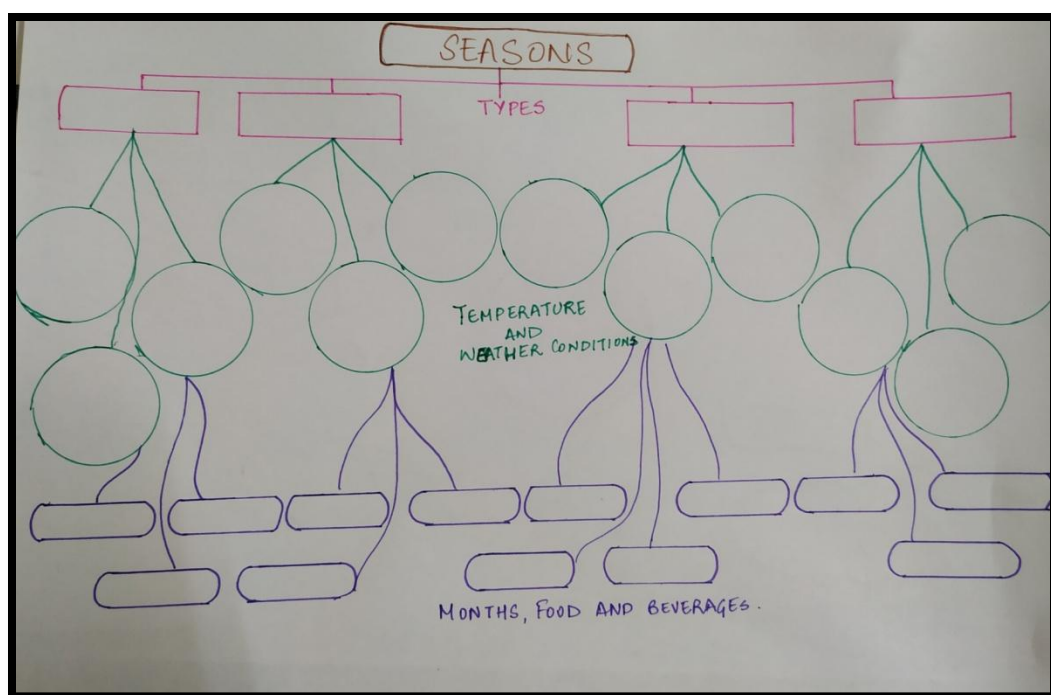

Figure 3.1 – Concept map

- display concept map figure 3.1 and students will be asked to fill the required information.

How will I proceed?

Student's Activity- Students will:

- make the structure of concept map (figure 3.1) and fill the required information on four main seasons of India.
- share the concept maps in the class and record it in their notebooks.

What have I observed?

Observation table: Types of seasons.

Name of season	Weather conditions	Food or beverages
*Summer	Hot and dry winds	Juice, ice-cream
Winter		
Spring		
Autumn		

* Sample filled

What have I learnt?-

- Write any two beverages which you want to have in summers.
- Chilly winds blow in _____ and loo blows in _____.

What am I curious to learn?

Udaipur is not a hill station but Mount Abu is a hill station. Highlight the two factors that affect the climate of these two places.

Let me evaluate myself

Q1. Differentiate between rotation and revolution in three points.

Ans. _____

Q2. Imagine, if the earth would not rotate and revolve, what would happen? Write in 30-50 words.

Ans. _____

Q3. We experience different seasons in India, which is your favourite season and why?

Ans. _____

Q5. Name a country which experience Christmas in summers.

Ans. _____

Q6. Match the following:-

A	B
a. Winter	i) new flowers bloom
b. Summer	ii) cold winds
c. Autumn	iii) an umbrella
d. Spring	iv) scorching heat
e. Rainy	v) leaves fall from trees
