

Importance of Organizing

Benefits of specialization

Organising leads to a systematic allocation of jobs amongst the work force. This reduces the workload as well as enhances productivity because of The specific workers performing a specific job on a regular basis. Repetitive performance of a particular task allows a worker to gain experience in that area and leads to specialisation.

Clarity in working relationships

The establishment of working relationships clarifies lines of communication and specifies who is to report to whom. This removes ambiguity in transfer of information and instructions. It helps in creating a hierarchical order thereby enabling the fixation of responsibility and specification of the extent of authority to be exercised by an individual.

Optimum utilization of resources

Organising leads to the proper usage of all material, financial and human resources. The proper assignment of jobs avoids overlapping of work, Avoidance of duplication of work helps in preventing confusion and minimising the wastage of resources and efforts.

Adaptation to change

Organising allows a business enterprise to accommodate changes in the business environment. Organisation structure can be suitably modified and the revision of inter-relationships amongst managerial levels to pave the way for a smooth transition. It also provides much needed stability to the enterprise as it can then continue to survive and grow in spite of changes.

Importance of Organizing

Effective Administration

Organising provides a clear description of jobs and related duties.

This helps to avoid confusion and duplication.

Clarity in working relationships enables proper execution of work.

Management becomes easy and this brings effectiveness in administration.

Development Of Personnel

Organising stimulates creativity amongst the managers. Effective delegation allows the managers to reduce their workload by assigning routine jobs to their subordinates. The reduction in workload by delegation allows the manager to develop new methods and ways of performing tasks. They explore areas for growth and the opportunity to innovate thereby strengthening the company's competitive position. Delegation also develops in the subordinate the ability to deal effectively with challenges and helps them to realise their full potential.

Expansion And Growth

Helps in the growth and diversification of an enterprise by enabling it to deviate from existing norms and taking up new challenges. It allows a business enterprise to add more job positions, departments and even diversify their product lines. New geographical territories can be added to increase customer base, sales and profit. Manager brings order out of chaos, removes conflict over work or responsibility sharing and creates an teamwork environment.
