

ACTIVITY NO.–12:SALUTE TO COMMUNITY WORKERS !

Subject	EVS
Class	III
Chapter/Unit	Work we do
Topic	Community workers
Time	40 mins
Nature of Activity	Group

What will I learn (Learning Outcome)?

To analyse the hard work and dedication shown by the community even during the spread of pandemic

Skills: Recognizing, Analyzing

What I have to do?

To make the mask of favourite community worker

What do I require?

Paper, scissors, sketch pens,colours

What do I need to know?

Community health workers, according to the APHA, are liaisons who help mitigate health disparities, increase access to care, improve quality of care, and lower healthcare costs. CHWs are nonclinical, nonmedical advisors and patient educators, also sometimes called lay health educators.

Teacher's Activity:

Teacher will

(1) ask students to make a mask of their favorite community worker and give the presentation on why they like him/her the most.

How will I proceed?

Student's Activity:

Students will

- (1) make the mask and give the presentation with reasons to choose him/her.
- (2) further write down the work done by them to serve the community.

What have I observed?

S. No.	Occupation	Task assigned
1.		

What have I learnt?

We celebrated this World Health Day, 7th April 2020, we celebrate to honor the contribution of nurses and midwives, recognizing their vital role in keeping the world healthy.

What am I curious to learn?

Let us find out, why do health workers put their lives on risk to save the people of the country?

Let me evaluate myself

Q1. Who is community health provider ?

Q2. How will you classify community health providers?

Q3. What is the role of community health aide ?

Q4. What is the difference between community health and public health ?

Q5. Draw a picture of any community health worker .
