

LEARNING ACTIVITY

Sharing Our Feelings

Fill in the blanks:

- a) The Braille script is used by blind people.
- b) Louis Braille invented the Braille script.
- c) Old people need love and care.
- d) The Braille script is used by blind people to read and write.
- e) We see through our eyes.

Activity

Use a sharp pencil to make holes in a paper and write your name.

Each alphabet has a pattern of dots. The black dots are where the holes should be.
