

# SUMMARY

# FAMILIES AND RELATIVES

The background features a light green gradient on the left, transitioning into a series of overlapping, semi-transparent green geometric shapes (triangles and polygons) on the right, creating a modern, abstract design.

WE LIVE WITH OUR FAMILY.

The background of the slide is an abstract composition of various shades of green. On the right side, there are several overlapping, semi-transparent geometric shapes, primarily triangles and quadrilaterals, in darker and medium green tones. These shapes create a sense of depth and movement. The rest of the background is a lighter, solid green color.

WE EAT, PLAY AND HAVE FUN  
WITH OUR FAMILY.

The background features a light green gradient on the left and a series of overlapping, semi-transparent green geometric shapes (triangles and polygons) on the right, creating a modern, abstract design.

WE SHARE WORK AND HELP  
EACH OTHER.

The background of the slide is composed of various shades of green. On the right side, there are several overlapping, semi-transparent geometric shapes, primarily triangles and quadrilaterals, in different tones of green, creating a modern, abstract design. The rest of the background is a solid, light green color.

WE LEARN MANY THINGS FROM  
OUR FAMILY MEMBERS.

The background of the slide is composed of various shades of green. On the right side, there are several overlapping, semi-transparent geometric shapes, primarily triangles and quadrilaterals, in different tones of green, creating a modern, abstract design. The rest of the background is a solid, light green color.

THEY TEACH US GOOD HABITS  
AND VALUES.

THERE ARE DIFFERENT TYPES  
OF FAMILIES. SOME ARE  
NUCLEAR (SMALL), SOME ARE  
JOINT, AND SOME ARE LARGE  
FAMILIES.

SINGLE PARENT FAMILY HAS  
EITHER FATHER OR MOTHER WITH  
CHILDREN.

OTHER THAN FAMILY MEMBERS  
LIVING WITH US, WE HAVE SOME  
MORE FAMILY MEMBERS. THEY  
ARE CALLED RELATIVES.

PEOPLE IN THE FAMILY ARE  
SIMILAR IN THE WAY THEY LOOK  
OR BEHAVE.

CHILDREN MAY HAVE SAME  
HOBBIES AS THEIR FAMILY  
MEMBERS.

CHILDREN BORN AT THE SAME  
TIME TO THE SAME MOTHER ARE  
CALLED TWINS.

TWINS MAY LOOK ALIKE OR  
DIFFERENT.

WE MEET OUR RELATIVES ON  
FESTIVALS, BIRTHDAYS, AND  
CELEBRATIONS.

The background features a light green gradient on the left and a series of overlapping, semi-transparent green geometric shapes (triangles and polygons) on the right, creating a modern, abstract design.

THESE FESTIVALS MAKE OUR  
BONDING STRONGER.

The background of the slide is composed of various shades of green. On the right side, there are several overlapping, semi-transparent geometric shapes, primarily triangles and polygons, in different tones of green, creating a modern, abstract design. The rest of the background is a solid, light green color.

CELEBRATIONS HELP US TO  
KNOW OUR FAMILY MEMBERS  
BETTER.

THANK YOU
