

SUBJECT ENRICHMENT ACTIVITIES

ENGLISH READING COMPREHENSION CLASS :5

Name _____

Marks : 20

Sec _____

Expected Learning out come :-

Childern will be - able to read the paragraph fluently.
- able to understand the meaning of the paragraph.
- able to answer the questions from the paragraph.
- able to improve their vocabulary.

Read the following passage and answer the questions:-

Every year July 1 is doctor's day, which is very special for every medical practitioner. First doctor's Day was celebrated in 1991. Every doctor of any specialisation acknowledges the entire medical profession. The story of doctor's day in India is very interesting. The history says that in the year 1882 July 1st saw the birth of renowned physician and partition Dr. Bidhan Chandra Roy. He is remembered till date for his activities involving in starting many institutions, hospitals and was fully dedicated to the upliftment of Indian society. Doctor's day is observed to pay tribute to Dr. BC Roy and salute the spirit of his dedication. People find Doctor's day a perfect time to recognise the pressure of job, expressing thanks to doctors for mentoring and to be grateful for their ability to comfort and heal.

Answer the following: (2)
