

Lesson Plan/ Learning Plan	
Topic- He is my brother	Grade: III
Concept (If Applicable)	
<u>Mapping of skills/competencies/attitudes :</u> <i>(Skills/competencies/attitudes that a teacher plans to develop through the learning engagements)</i>	Skills: Communication skills, Thinking skills Attitudes: Confidence, Cooperation, Creativity, Enthusiasm Competencies: Communication, Critical thinking
Lesson Plan Duration :	6 days
Learning Engagements for Active Learning:	Think-pair-share, Dictogloss, Brainstorming, Bluff
Questioning Technique/s to be Used :	1. Probing Questions 2. Hot seat
Learning objectives: By the end of the topic, the learners would be able to: • read the lesson and summarize it in their own words. • infer the meaning of unfamiliar words by reading them in context. • imbibe the value of kindness in their own self. • empathize with people and their circumstances	
Annexure 1 (Kolb's Model)	
Connecting to Prior knowledge <i>(How do you check what learners already know?)</i>	Day 1: The facilitator will ask a few probing questions in order to check the prior knowledge of the learners: Ques.1 Do you have any younger brother or sister? Ans.Yes Ques.2 How do you spend your time with them? Ans. We play with them.
Resources Required:	Blackboard, Smartboard, Strip cards, Coursebook, dictionary, Word file, Chart paper
Implementation of lesson plan - Stage 1	
	Day 1: (Learning engagement 1) Think-pair-share: The facilitator will ask the children to pause and ponder over their moments being shared among siblings. They will then form pairs and discuss their ideas with each other. After some time, the partners will be called to share

	the same with the rest of the class. Day 3: (Learning engagement 1) Frayer's Model The facilitator will ask the learners to define the target vocabulary words and apply this information by generating examples and non- examples. This information will later be placed on a chart that is divided into four sections to provide a visual representations to learners. Frayer Model <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <td style="width: 50%; text-align: center;">Definition</td><td style="width: 50%; text-align: center;">Characteristics</td></tr> <tr> <td style="width: 50%; text-align: center;">Examples</td><td style="width: 50%; text-align: center;">Non-examples</td></tr> </table> 	Definition	Characteristics	Examples	Non-examples
Definition	Characteristics				
Examples	Non-examples				
Proceeding further <i>(What strategies will be used in the class to achieve the lesson objectives?)</i>	Day 1: (Learning engagement 2) Dictogloss: The facilitator will conduct one round of Model reading of the lesson ‘He is my Brother’ in the class. The learners will be asked to write down the key words and then later reconstruct the text in their own words. Day 2: (Learning engagement 1) Brainstorming: The facilitator will ask the learners to think about the things that they have and are they satisfied with it..This activity will be followed by a loud reading session by each student in the class with proper stress, intonation and pronunciation of words. (Roll number wise) C : Communication-Communicates Clearly <u>RUBRICS</u> • Listens effectively to decipher meaning, including knowledge, values, attitudes and intentions. • Uses communication for a range of purposes (e.g. to inform, instruct, motivate and persuade).				

Learning Logs <i>(How learners keep a track of what they are learning, includes reflections)</i>	Day 3: The learners will find the meaning of the difficult words from the dictionary and jot them down in their notebook. DIFFICULT WORDS • Shone • Climbing • Understand • Carefully • Carrying • Slowly Day 4: The facilitator will ask the students to pen down their own sentences in their learning log after the discussion and correction (grammatical error/ sentence formation). Frame Sentences 1.Shone 2.Climbing 3.Understand 4.Carefully 5.Carrying 6.Slowly Day 4: The facilitator will write the selected set of difficult words on the board and ask the children to come up with their own sentences. The facilitator will also ask the children to summarize the lesson in their own words and then later ask them to solve some comprehension-based exercises.
Lesson Plan : Stage 2	
Formatives/Unit test <i>(How will the facilitator check for comprehension?)</i> <u>*Integration of Arts/ICT</u>	Day 2: (Individual Practice) The facilitator will ask the learners to imagine that if your sibling troubles you while you are studying or your sibling gets stuck in a problem ? Prepare a Word file showcasing their reaction. Critical Thinking- Uses Systems Thinking <u>RUBRICS</u> • Uses various types of reasoning as appropriate to the situation. • Effectively analyzes and evaluates major alternative

	points of view. While the learners are reading aloud the facilitator will assess the reading style and level of the learner. Also with the help of the questioning technique (Hot Seat) the understanding of the learner will be checked.
Teacher Interventions <i>(Addressing the concerns and issues faced during the transactions)</i>	Day 2: The facilitator will assist the students who struggle with pronouncing big and difficult words. Also encourage children to refer a dictionary if they are not able to comprehend a word. Day 3: While making varied sentences the teacher will guide and intervene in case of wrong sentence formation or any grammatical error. The students will then be asked to reframe their sentences with little help provided by the facilitator. Diagnosis: PCC classes
Extending the Lesson Further <i>(Creating through Active experimentation)</i>	Day 4: (Individual Practice) (AHAA Moment) The facilitator will ask the learners to share their best memory spent with their sibling.
Summative Assessment <i>(How will the facilitator check that learning objectives have been achieved?)</i>	
Day 6: • Pen and Paper Test
