

MALU BHALU

Explanation of Stanza 1

The poet tells us about a little Polar bear that lives on an icy lair. Her name is Malu Bhalu and her hair is shiny like white snow.

Explanation of Stanza 2

In this stanza, the poet tells us that Malu was a very clever girl. She learned all the things her parents knew like catching small and big fishes.

Explanation of Stanza 3

In this stanza, Malu said to her mother that she wants to go very far to play. She wants to look at the things which are lying beyond the blue sky. But her mother said that she should be a little patient and wait for the summers. But Malu doesn't want to wait for this long.

Explanation of Stanza 4

In this stanza, Malu's mother told her that she needs to learn things step-wise. Then she hugged Malu and asked her to start learning swimming.

Explanation of Stanza 5

In this stanza, Malu said to her other than how she is going to swim as she had never done that. But her mother calmly explained to her that she need not worry and follow her steps to learn.

Explanation of Stanza 6

In this stanza, the poet tells us that Malu was left with no choice and she had to swim that day. So gripped her mother's hand very tightly and jumped into the water.

Explanation of Stanza 7

In this stanza, we can see that Malu is a brave girl like her mother. She swam with all her power as she forgot about her fears. She didn't care about whether she is doing it right or not because now she has fearless.

Explanation of Stanza 8

In this stanza, we saw that Malu's mother is looking at her proudly. She knew that Malu is a brave, fearless, and a very brave girl.
