

The Yellow Butterfly

Summary

The story is about a colorful butterfly who keeps flying here and there, sometimes on the pond in the garden, Sometimes sailed on a floating leaf. But while flying it got trapped in spider's web, and on the other side spider is hungry wants to make butterfly its food, it tries to flutter to wings, wants to get free but fails. Before spider could grab it the boy caught it and saved it and let it fly freely.

ACTIVITY

1. Teacher can ask pupils to make butterfly by giving them an outline and by using their creative minds ,they can decorate it with different materials like buttons,ribbons and other things.

2. Picture Reading:

The teacher displays a picture of a garden and asks children to discuss the various things they see in the picture. Question cards are given to each group and they are asked to answer them using the picture.

WORD BUILDING

Make two words from one word. One has been done for you.

- | | | |
|---------------|---------------|------------|
| a) Butterfly | <u>Butter</u> | <u>Fly</u> |
| b) Everywhere | _____ | _____ |
| c) Inside | _____ | _____ |
| d) Outside | _____ | _____ |
| e) Sunlight | _____ | _____ |

THANK YOU

A monarch butterfly with vibrant orange wings and black veins is perched on a cluster of small pink flowers. The butterfly's wings are spread, showing the characteristic pattern of orange, black, and white spots. The background is a soft-focus green and pink, suggesting a garden setting.
