	examples and non- examples. This information will later be placed on a chart that is divided into four sections to provide a visual representations to learners. Frayer Model <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <td style="width: 50%; text-align: center;">Definition</td><td style="width: 50%; text-align: center;">Characteristics</td></tr> <tr> <td style="width: 50%; text-align: center;">Examples</td><td style="width: 50%; text-align: center;">Non-examples</td></tr> </table>	Definition	Characteristics	Examples	Non-examples
